400/04 - 400/05 - 400/07

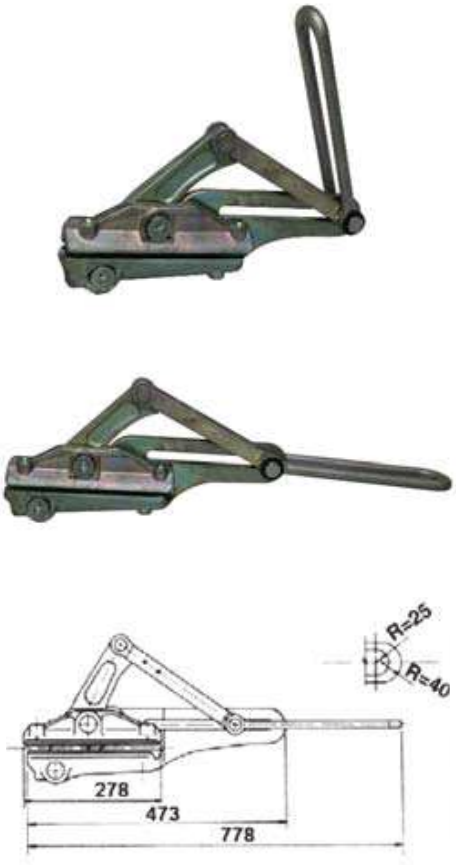

CONDUCTORS SELF-GRIPPING CLAMPS

Suitable for A.C - AAC - ACSR and copper conductors.
Made of hot forged, heat treated, and cadmium plated high tensile alloy steel.
A complete range of interchangeable aluminum liners allows the clamp to fit the exact conductor diameter.
Each model of Clamp is suitable for a wide range of conductors, therefore, the same clamp can be used for different projects only by replacing aluminum liners.
NOTE: Upon placing the purchase order, please specify Conductor's overall diameter.

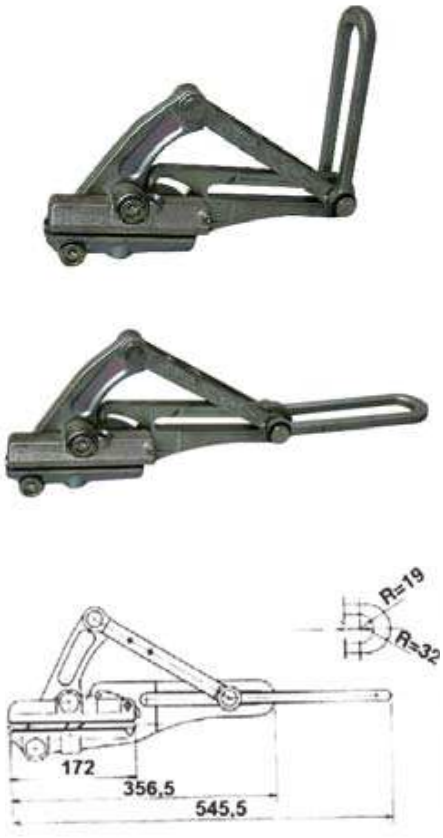

400-04

400-05

400-07

With a P/0 please to specify the liner size or the exact overall conductor dia.

MODEL	CONDUCTOR RANGE	MAX WORKING LOAD	MAX SAFETY LOAD	MIN. BREAKING LOAD	WEIGHT
	mm dia	daN	daN	daN	Kg
400-04	30÷45	5500	11700	28500	17.0
400-05	18÷32	4700	8800	23500	13.5
400-07	8÷24,5	3000	4900	15000	7.0

410/04 - 410/05 - 410/07

LINERS FOR CONDUCTORS CLAMPS

LINERS FOR 400/04			
Conductor diameters (mm)	**Liner for aluminium conductor**	**Liner for circulare steel rope**	**Liner for square pilot steel rope**
30-31,5	410-04-13	For range 16-32 mm, liners are produced in according to the exact rope diameter	For range 16-28 mm, liners are produced in according to the exact rope diameter
31,5-33,0	410-04-14		
33-34,5	410-04-15		
34,5-36	410-04-16		
36-37,5	410-04-17		
37,5-39	410-04-18		
39-40,5	410-04-19		
From 41 to 45 specify the exact cond. Diam.			

LINERS FOR 400/05			
Conductor diameters (mm)	**Liner for aluminium conductor**	**Liner for circulare steel rope**	**Liner for square pilot steel rope**
18-19,5	410-05-05	For range 13-22 mm, liners are produced in according to the exact rope diameter	For range 13-24 mm, liners are produced in according to the exact rope diameter
19,5-21	410-05-06		
21-22,5	410-05-07		
22,5-24	410-05-08		
24-25,5	410-05-09		
25,5-27	410-05-10		
27-28,5	410-05-11		
28,5-30	410-05-12		
30-31,5	410-05-13		
31,5-32	410-05-14		

LINERS FOR 400/07			
Conductor diameters (mm)	**Liner for aluminium conductor**	**Liner for circulare steel rope**	**Liner for square pilot steel rope**
8-9,5	410-07-03	For range 8-13 mm, liners are produced in according to the exact rope diameter	For range 8-13 mm, liners are produced in according to the exact rope diameter
9,5-11	410-07-04		
11-12,5	410-07-05		
12,5-14	410-07-06		
14-15,5	410-07-07		
15,5-17	410-07-08		
17-18,5	410-07-09		
18,5-20	410-07-10		
20-21,5	410-07-11		
21,5-23	410-07-12
